# Kyle's c

It seemed like the whole of Oban and district turned out to participate in the ceilidh organised by Oban High School sixth former Kyle Lockhart at McTavish's Kitchens.

With support from Oban FM, Kyle's well-attended ceilidh raised a whopping £3,000 for the Oban and Lorn branch of Alzheimer Scotland.

The branch helps to improve the quality of life of those in Oban and Lorn who have Alzheimer's disease.

The evening was declared a resounds success and word is that it will become an annual event.

Secretary of the local branch Henry Woodman was delighted with the amount raised and gave full credit to Kyle for organising the ceilidh and selling tickets, to all the performers who gave their time and everyone who made donations.
