

Party like it's '1974

Over 100 people from the class of 1974 got together to reminisce, and raise money for Cancer Research at the same time.

FORMER pupils of Oban High School had a great time when they reunited for a party in the Argyllshire Gathering Halls last Saturday night.

Over 100 people from the class of 1974 got together to reminisce, and raise money for Cancer Research at the same time.

The event was organised by a group of ex-pupils, including Walker Owens, who said the evening was 'brilliant' and enjoyed by everyone who turned up.

The organisers would like to thank all of the local individuals and businesses that donated prizes for a raffle, which took place on the night. They would also like to thank Rox disco and 'Thor', who are a musical band made up of former teachers who taught at the school in 1974 and reformed especially for the reunion.

The grand total of £2,200 was raised for the charity on the night, and the money will be handed over at a later date.
