

THEY may be in their first years as high school pupils but the Oban High's S1-S3 pupils have already achieved quite a bit as last month's junior prizegiving demonstrated. The top table at the event consisted school captains Nicola Bichard and Andrew Milne, rector Linda Kirkwood, depute rector Rosemary Smeall, Councillor Elaine Robertson, PTS chairman Steven Carson and retiring maths teacher Callum Smith. There were performances from the school's choir, musicians and cheerleaders as well as a public speaking presentation by Ruth Cameron, Veronica Spiers and Rian MacAllister.

Rian won himself the Calum John Laing Cup in the Highest Achiever Awards. The Rotary Endeavour prize went to Sandy MacNiven and the Oban High School prize for service to others went to Amanda Munro.
