**IF YOU'RE
OVER 60**
PLUS FREE EYE TEST

At Specsavers, our glasses are already great value, but if you're over 60, you'll pay even less than usual. From Monday to Friday, we'll take an extra 25% off the price of a pair of varifocal, bifocal or single vision glasses, including any extra lens options you need. We now fit PENTAX lenses in all our glasses and don't forget you can get free a full eye test from our professional staff, under the NHS.
