

Fernhill Stone are distributors of manufactured stone facings.

The product replicates natural stone in meticulous detail such as colour, texture, and durability.

The products are ideal for both the self builder and renovator and have been in use for many decades.

We continue to build on our success throughout Scotland with completed projects stretching from the borders to the Orkneys.

Our Scottish Area Manager, Cecil Cruikshank

may be contacted on 07743 802120 or should you require a brochure and CD Rom please contact our UK Administrative Office at the following address:-
