

# MASCOTS MOMENT OF GLORY AT IBROX

Alastair and Elizabeth Campbell from Taynuilt have been given their moment of glory after they were chosen as mascots for Rangers' league game against Dunfermline.

The two members of the Official Young Supporters Club proved lucky for the team after a two-nil victory over the Pars at Ibrox.

The young fans 'had a brilliant time' and were able to meet the whole team including Alastair and Elizabeth's favourite players, Steven Smith and Barry Ferguson, before the match. They were also each given a football strip by the club.
