St. Andrews Day Ceilidh Fun

Oban High School celebrated St. Andrews day in style with a ceilidh featuring a wide range of acts including Gaelic singers, a pipe band, ceilidh band Teuchter Beats and a rousing rendition of 'Flower of Scotland'.

The day's proceedings involved an open ceilidh for all pupils at lunchtime followed by special events for first and second years in the afternoon.

Highlights included a performance by Mac-

JorBell featuring school janitor Ian MacLean on accordion and three of his grandchildren on harp, pipes and keyboard. The name is an amalgamation of the group's surnames with Gillian Campbell and Claire and Niall Jordan making up the quartet. The day finished with everyone on stage for a sing-along to 'Loch Lomond'.

The event was organised by Mod gold medal winner and principal teacher for enterprise Angus Smith. 'It was a fantastic day', he enthused, 'everyone had smiles on their faces so we'll definitely be doing it again next year.'
