**CONTACT LENSES**

Advances in technology mean contact lenses are now more comfortable than ever, available for a wider range of prescriptions, and suitable for people of all ages. And these days, you don't even have to bother with solutions, so they're less hassle too. So if you think you can't wear contact lenses, or you've worn them before and didn't like them, the Specsavers free trial could be just what you're looking for. Just ask in-store for more details.
