

Oban's mini fountain

OBAN had the added feature of a mini fountain recently when a manhole on the Bealach-an-Righ began to overflow. The rain had poured constantly during the day and the result saw other flooding throughout the town. The flooding caused extra confusion at new 'crop circle' roundabout beside Tesco where the water was particularly Deep.

Old Mull

The truth about Mull

THE HISTORY of Mull is intricately woven into this book by Guthrie Hutton.

Not only does Old Mull feature pictures of the landscape and castles but the people as well,

not least the picture on the inside cover showing Dougie MacFadyen and Alan Logan bringing in the hay at Harbour, Ardtun.

The narrative covers all topics of island life from the island's creation through to the visitors who have made the crossing from Oban.

Fact and legend collide in this fascinating look at Mull life with stories dating back 200 years. Old Mull is published by Stenlake Publishing Limited and priced £7.99.
