

Santa sleighs into Oban

OBAN welcomed that festive feeling last month when Santa Claus and his reindeer came to town.

The switching on of Oban's Christmas lights, at the fourth attempt, was the climax to a parade, which also featured street entertainers, Oban Pipe Band and Oban High School's cheerleaders, the Oban Angels. *Lorn Life* was at the parade to catch all the action as it unfolded.

Chris Hamill made sure his five-year-old son, Adam, had a good view of proceedings. t48xmas01
